ARCHITECTURAL DESIGN PROJECTS

SEM 1: Artist's Studio (SITE: Vangani, AREA: 15 sq.m.)

Designed a creative workspace that integrates artistic activities with the natural landscape.

SEM 2: Weekend Getaway Bungalow (SITE: Badlapur, AREA: 170 sq.m.)

Planned a peaceful holiday home focused on comfort, relaxation, and a strong connection with nature.

SEM 3: NGO Run Learning Centre (SITE: Kopar Khairane, AREA: 1000 sq.m.)

Developed an educational facility that promotes learning and community engagement through functional design.

SEM 4: Rural Development (SITE: Shivkar, Panvel, AREA: 2100 sq.m.)

Designed a community-focused centre to support rural development, skill enhancement, and local empowerment.

SEM 5: The Evolving Museum (SITE: Dadar, AREA: 5000 sq.m.)

Created a museum that offers an interactive and dynamic journey showcasing the evolution of knowledge and culture.

SEM 6: Mizoram State Bhavan (SITE: Vashi, AREA: 10000 sq.m.)

Designed a cultural and administrative centre celebrating Mizoram's heritage through contemporary architecture.

SEM 7: Student Housing (SITE: Ghansoli, AREA: 17630 sq.m.)

Planned a sustainable student residential campus that fosters learning, interaction, and a vibrant community lifestyle.
